How many of these people have had problems because of their drinking or use of other drugs? (Interviewer: Refer to items 1-6 to determine which of the following are relevant. Change wording as applicable -- e.g., "Has your brother had drinking or drug problems?" instead of "How many of your brothers" when there is only one brother.)

Record the number of relatives in each category who are reported to have had problems with drinking or other drugs.

Code 0 if there are known to be none  
 Circle ? if the status of existing relatives is unknown  
 Circle NA only if there are no relatives in this category
