"Now I'm going to ask you some questions about what has been happening with (client) during this period from up to . [Use dates from line 1] Some of these things you may know about, and some you may not. Just give me the best information you can, and let me know if you're not clear what I'm asking. I also want to remind you that what you say is completely confidential, and won't be shared with (client) or anyone else outside our research project. Do you have any questions before we begin?"

8. "First of all, to the best of your knowledge, did drink any alcohol during that time period?" [determine which of the following statements is the most accurate response. If necessary read the statements to the SO.]

(0) I am sure that did not drink during that time period.

(1) I am reasonably certain that did not drink during that time period.

[If abstinent (0 or 1) enter zero (000) codes for questions 9, 11, and 12, and enter the number of days in the period (from item 1) for questions 10. Then skip to question 13.

(2) Yes, I suspect that did drink during that time period, although I did not observe it first-hand. [Record reason for suspicion below:

(3) I am sure that did drink during that time period because I observed it.

(8) I don't know whether did or did not drink during that time period.

9. During that period of days that we have been discussing, how many days would you say drank at least some alcohol?

**Total number of drinking days during period: / /
(Enter 998 for don't know)**

10. That would mean that had nothing to drink at all on [item 1 - item 9] days during this period. Does that sound right?

Adjust items 9 and 10 to equal the number of days in item 1.

**Total number of abstinent days during period: / /
(Enter 998 for don't know)**

11. On days when _____ drank during this period, how many drinks do you think he/she had, on average? [Prompts: "What kind of alcohol would he/she usually drink? And how many (beers, etc.) would he/she have in one day?"]

Total number of standard drinks per day: ____/____/____
(Enter 998 for don't know)

12. On how many days during this period of [item 1] days do you think _____ had 6 or more drinks?

Total number of heavy drinking days: ____/____/____
(Code 998 for don't know)

13. Sometimes during these types of interviews, people have to guess in order to answer questions about someone else. To what extent have you guessed during this interview? Would you say:

- __(1) not at all
- __(2) a little
- __(3) a lot
- __(4) completely
