**Form 90-AQF**  
Quick Drinking Assessment Interview

1. For period from ____/____/____ through ____/____/____

2. Number of days in this assessment period: ______

3. This is: _____-month Follow-up

4. Was the interview conducted:
   
   _(1) on site   _(2) by telephone   
   _(3) home visit   _(4) other location:

I'd like to ask you just six questions about your drinking during the period from __________ up through yesterday. That's a period of ______ days.

First of all, on how many days during this period did you have at least one drink containing alcohol?

5a. Total number of drinking days during period: ______

   [To confirm the answer to 5a:

   So that means there were [Line 2 minus Line 5a] days during this period when you didn't drink at all. [Confirm and record below.]

5b. Total number of abstinent days during period: ______

   [Line 5a + Line 5b must = Line 2]

Now, on those days when you did drink, how much did you have to drink on average? [probe, and record as nearest whole number of standard drink units]

6. Number of standard drinks per drinking day: ______

Now, of those [read number from Line 5a] days on which you drank, on how many did you have six or more drinks?

7. Total number of heavy drinking days during period:______

When was the first day that you had a drink during this period?

8. Date of first drink during period:   _____/_____/_____

When was the first day that you had six or more drinks in the same day?

9. Date of first heavy drinking day in period:   _____/_____/_____

And when did you have your last drink?

10. Date of last drink during period:   _____/_____/_____

   [If appropriate, continue with longer interview such as Form 90-AT]
